# SHAMS TABRAIZ

STUDENT OF PUBLIC SCHOOL AND COLLEGE  
GILGIT

## PROFILE

I'm Shams Tabraiz, a pre-engineering student at Public Schools and College Gilgit with expertise in UI/UX designing, Canva, and Agricultural Farming. I create intuitive digital experiences through thoughtful design, develop engaging visual content, and apply sustainable farming practices to enhance agricultural productivity and environmental stewardship.

## WORK EXPERIENCE

### UI/UX Designer

2023 - 2024

Nexus Hub

- Expert in creating intuitive user interfaces that enhance user experience and engagement.
- Expertise in user research, wireframing, and prototyping to deliver user-centered designs.
- Focus on pixel-perfect implementation of design mockups with attention to detail.

### Farming

2023-2025

- Expert in sustainable farming practices that enhance crop yield and soil health.
- Expertise in modern agricultural techniques including crop rotation and organic farming methods.
- Monitor crop growth patterns and implement effective pest management strategies.

### Canva Expert

2025 - PRESENT

Nexus Hub

- Expert in creating visually compelling designs using Canva's comprehensive design toolkit.
- Expertise in designing social media graphics, presentations, and marketing materials with Canva.
- Focus on brand-consistent visual content that aligns with client identity and messaging.
